

DOC 2025-24

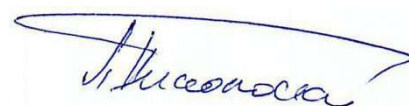

Unique Identification Code of the Product	NA2XH PROZDENKA KABLI
Manufacturer Name and Address	CABLE FACTORY PROZDENKA Marshal Tito 132-1/8, Negotino 1440, Republic of North Macedonia
Object of the Declaration	
Product Designation	NA2XH-J(O)
Cable Type	Low-voltage power distribution cable for fixed installation with enhanced fire characteristics
Category	Distribution cables of rated voltage 0,6/1 kV
Cable Construction	Power cable with aluminium conductors, XLPE insulation, polyolefin sheathing and LSZH compounds filler
Nominal Voltage (U _o /U)	0,6/1 kV
Normative references	HD604 S1 part 1 and part 5G
Conformity to EU Harmonization legislation	
Low Voltage Directive (LVD):	2014/35/EU (as amended)
Construction Product Regulation (CPR):	395/2011/EU and 89/106/EEC (as amended)
RoHS Directive:	2011/65/EU (as amended)
Conformity with the product standard(s):	
	LVD: EN 50182:2010 CPR: EN 50575:2015; EN 13501-6:2014
Additional information:	Compliance with the LVD has been verified through tests in the factory laboratory. Compliance with the CPR has been verified through tests in the accredited laboratory of „L.S. FIRE TESTING INSTITUTE S.R.L.“, Italy. Compliance with the RoHS has been verified via internal design controls and supplier declarations. The product does not contain any of the substances specified in the 2025 REACH SVHC Substances List. CE marking affixed in 2025

Manufacturer's Declaration Statement

We confirm that the product(s) identified on this certificate comply with the essential requirements of the necessary EU Council directives. Technical documentation to support this is available from the above address. For further information, please contact „Cable Factory Prozdenka dooel“ office.

This declaration of conformity is issued under the sole responsibility of the manufacturer.

The person signed below is duly authorized by „Cable Factory Prozdenka dooel“ to sign on its behalf.

Petar Nikoloski
